

Tips for Constructing A Genogram

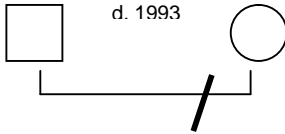

Males 

Females 

Marriage

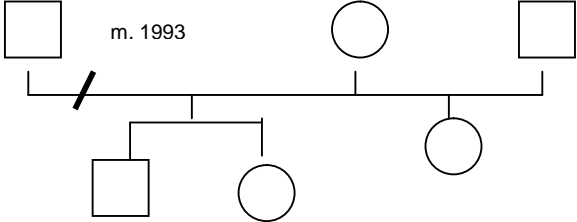

Separation/Divorce

Intimate/unmarried

Adding Children

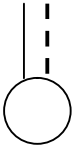

Death

Pregnancy

Adopted Daughter

Foster Son

Example

Husband and wife living with husband's mother, their two youngest children and the two children from the wife's first marriage. Wife's daughter from previous marriage is pregnant from an unknown or unacknowledged father. Wife's prior husband has remarried and has no children. Father's father is dead. Father is previously divorced.
